

NOTICE ON THE PROCESSING OF PERSONAL DATA

Dear Customer,

The purpose of this notice is to provide information to all natural persons ("Natural Persons") who, as vehicle drivers, are obliged stop at control points for authorization control. If the fact of unauthorised road use is established, the Natural Person is obliged to hand over the valid license of the motor vehicle to the inspector of the National Toll Payment Services Plc. ("NTPS Plc."), as an authorised entity for the control of toll payments, for the period during which the related administrative activity is performed. If it is established at the roadside inspection that unauthorised road use has occurred, the motorist shall pay the appropriate fine or fine difference on the spot, or purchase, where appropriate, a road use authorisation corresponding to the vehicle category of the vehicle concerned. As a data controller, NTPS Plc. processes the Natural Person's personal data according to the relevant legal provisions ("Data Processing"), for the purpose of recovering the enforceable fines.

I. Legal background:

As a company in 100% public ownership, NTPS Plc. is appointed and authorised by law to perform, on behalf of the Hungarian State, the toll charger, toll enforcement and fine collection functions of the time-based road use system ("e-vignette system") in accordance with Act I of 1988 on Road Transport ("Public Roads Traffic Act") and Decree No. 45/2020 (XI. 28.) of the Minister for Innovation and Technology on motorways, expressways and main roads subject to toll payment and on the tolls payable ("Toll Decree").

The entity authorised to enforce the payment of user charges inspects the appropriate authorisation and its purchase based on the registration number, country code and the toll category.

As a result of the inspection, with a view to establishing liability for the payment of the fine in question, NTPS Plc. will establish the data of the obligated party and the vehicle based on the personal and vehicle identification documents.

The operator or, in the absence of an operator, the owner of the vehicle (in the case of vehicles with Hungarian number plates, as registered by the road transport registration body at the time of the unauthorised road use) shall be responsible for the subsequent payment of the fine.

In the context of the above process, NTPS Plc. will (may) only obtain personal data pertaining to the operator (owner) in connection with the identification during roadside inspection, i.e. the Data Processing via the mobile control staff of NTPS Plc. starts from that time.

In the course of its data processing, NTPS Plc. is required to comply with the provisions of Act CXII of 2011 on informational self-determination and the freedom of information (Privacy Act), as well as of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) as well as the provisions by the relevant sectoral and other civil law regulators.

II. Purpose, scope, legal basis and duration of data processing:

Pursuant to Section 33/B(4) of the Public Roads Traffic Act, the **purpose of Data Processing** is to verify toll payment and to collect—or initiate the procedure for the recovery of—fine claims or fine difference claims under the competence of NTPS Plc., together with the task of maximising the fine as per Sections 14 and 15 of the Toll Decree, the payment of fines by purchasing an annual vignette as per Section

16 of the Toll Decree as well as other services that may be performed by the Data Controller for its customers under Sections 18 and 19 of the Toll Decree.

Description of personal data	Legal basis for data processing	Duration of data processing
registration number	Fulfilling the statutory legal obligations of NTPS Plc. for toll enforcement and fine collection activities as a public service	until the expiration of the claim (2 years) or for the duration of the 60-day limitation period from the date the operator was identified or the passing of 180 days following the settlement of the claim for the fine
the name of the Natural Person as recorded by the inspection staff in the roadside inspection report		
other data considered personal data that the Natural Person hands over during the roadside inspection (motor vehicle registration certificate inspected and handed back by the inspector to the Natural Person on site) or any personal data beyond name and address that the Natural Person voluntarily makes available to NTPS Plc.		

If the motor vehicle driver who failed to pay the road user charge and fine signs and accepts the roadside inspection report, the payment notice will not need to be delivered, and the aforementioned data processing periods will begin when the driver signs the report.

Address data means both the Natural Person's permanent address and place of residence.
